

# JUST THE **FACTS**

## **BERKSHIRE HATHAWAY ENERGY**

**GREGORY E. ABEL**  
Chairman, President  
and CEO

- With our roots in renewable energy, Berkshire Hathaway Energy’s portfolio consists of locally managed businesses that share a vision for a secure and sustainable energy future. These businesses deliver affordable, safe and reliable service each day to millions of customers and end-users around the world and consistently rank high among energy companies in customer satisfaction.
- The company’s six core principles – customer service, employee commitment, environmental respect, regulatory integrity, operational excellence and financial strength – guide its planning, decision-making and actions. Berkshire Hathaway Energy also prides itself on making steady, sustainable investments that benefit its customers’ energy needs and contribute to the financial strength of the company.
